Commissioner for Patents
P.O. Box 1450

Sir:

REQUEST FOR A CERTIFICATE OF CORRECTION UNDER 35 USC §254

It is respectfully requested that a Certificate of Correction be issued to correct the name of the third inventor as listed on the title page of the above-identified Patent Grant on the basis of the following:

An Inventor's Declaration was filed in this application on September 26, 2003. That Inventor's Declaration identified the name of the third named inventor as "Kenji Takeda" (copy attached). However, as granted, the U.S. Letters Patent erroneously indicates the third named inventor as "Tak_da". It is therefore respectfully requested that a Certificate of Correction be issued that corrects the third named inventor's name from "Tak da" to --Takeda--.

Attached hereto is a draft Official Certificate of Correction for use by the Patent and Trademark Office correcting the above-identified matter.

AUG 07 2006

Because the above-noted error was a mistake in the published grant due to a Patent Office error and was not the fault of the applicant, it is understood that no fee is due in respect to this Petition for Certificate of Correction.

Early and favorable Action on this Request is solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
